

MADIBA

"My King"

Welcome to life aboard Madiba. Madiba, a Leopard 45 catamaran, is a design that has been an unqualified success with discerning charterers worldwide. So much so that recently it was voted "Charter Boat of the Year" by the influential Cruising World magazine... And rightly so! The aesthetics of Madiba's lines make her distinctive and easy on the eye. She literally stands out in a crowd.

The most luxurious catamaran imaginable is home for your vacation.

Dave van Reenen and Glywnnis Wells have had a happy relationship and a successful business partnership for many years.

Dave has a sailing pedigree developed over decades of professional yacht racing and cruising in the USA, South America, Europe, the Caribbean, the East African Coastland Indian Ocean Islands.

Glywnnis is happiest when she's involved with food, either running a gourmet restaurant or entertaining friends. Glywnnis is a qualified practitioner of Indian Head Massage. She has a wide knowledge of, and interest in, Aromatherapy.

The comfortable double en-suite cabins are design masterpieces. Each is fitted with crisp percale cotton bed linens and extra large bath sheets. The layout of the deck hatches and port lights was developed to ensure the cabins are always well ventilated to ensure maximum comfort.

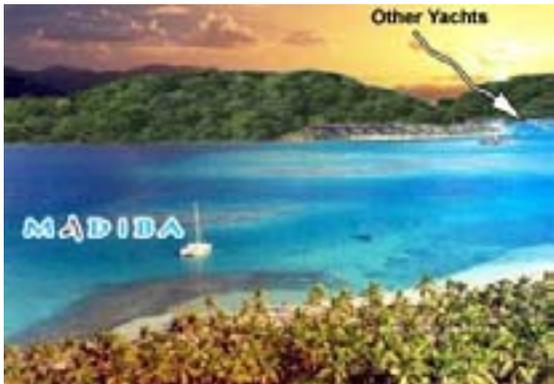

When stepping into the spacious saloon your feeling is one of comfortable proportions. The generous, hand carved beech wood table is just the thing for elegant dinners.

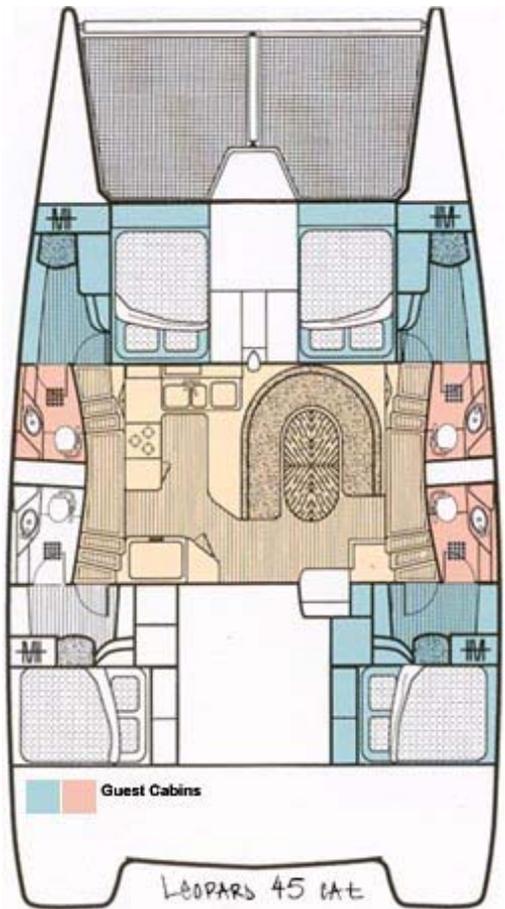

The cockpit area is large. Very Large! A great place to enjoy your cocktails and meals or to relax while powering along under sail or when at anchor.
